The Assignor further hereby agrees to execute and deliver to the Assignee any further documents and instruments in the Assignor’s possession, and to do any and all further reasonable acts that are deemed necessary by the Assignee to vest in the Assignee all right, title, and interest in and to the Assigned Intellectual Property, and to enable such right, title, and interest to be recorded in the in the United States Patent and Trademark Office, United States Copyright Office or any other appropriate governmental or private authority, agency, or registry of the United States and throughout the world.
