## TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (as the same may hereafter be amended, restated, supplemented or otherwise modified from time to time, this "Agreement") is made as of December 21, 2021 by ZONIN U.S.A, INC., a New York corporation ("Zonin"), BARBOURSVILLE WINERY, INC., a Virginia corporation ("Barboursville"; together with Zonin, collectively, the "Grantors" and each, individually, a "Grantor"), in favor of JPMORGAN CHASE BANK, N.A., as Lender ("Lender").

### W I T N E S S E T H

WHEREAS, pursuant to that certain Credit Agreement dated as of March 17, 2017 by and among the Grantors, the other Loan Parties party thereto and Lender (as the same may hereafter be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), the Lender has agreed to make certain loans and extend certain other financial accommodations to or for the benefit of the Grantors; and

WHEREAS, pursuant to the Credit Agreement, the Grantors entered into that certain Pledge and Security Agreement dated as of March 17, 2017 (as the same may hereafter be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), pursuant to which the Grantor granted to Lender, among other things, a continuing security interest in certain of the Grantor's assets, including, without limitation, the Trademark Collateral (as defined below).

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. Incorporation of Security Agreement; Credit Agreement Definitions. The Security Agreement and the provisions thereof are hereby incorporated herein in their entirety by this reference thereto. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control. Capitalized terms used but not defined herein shall have the respective meanings given thereto in the Credit Agreement.

2. Grant of Security Interest. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, hereby mortgages, pledges and hypothecates to Lender, a Lien on and security interest in, all of such Grantor's right, title and interest in, to and under the following (collectively, the "Trademark Collateral"): (a) all United States trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof, including without limitation those set forth on Schedule A attached hereto, and the goodwill of the business symbolized by the foregoing; (b) all licenses of the foregoing, whether as licensee or licensor; (c) all renewals of the foregoing; (d) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (e) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (f) all rights corresponding to any of the foregoing throughout the world; provided that, notwithstanding any other provision set

forth herein, this Agreement shall not, at any time, constitute a grant of a security interest in any United States intent-to-use trademark or service mark application to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark or service mark application under Federal law; provided, however, that, after such period, each Grantor acknowledges that such interest in such trademark or service mark application shall automatically be subject to a security interest in favor of the Lender and shall be included in the Trademark Collateral.

3. Cumulative Remedies. All of the rights and remedies of Lender under any Loan Document shall be cumulative, may be exercised individually or concurrently and not exclusive of any other rights or remedies provided by any requirement of applicable law.

4. Binding Effect. This Agreement shall be binding upon the successors and assigns of the Grantors and shall inure to the benefit of Lender and its successors and assigns.

5. Governing Law. This Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

6. Counterparts. This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

*[signature pages follow]*

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
