TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement"), dated as of March 4, 2022, is entered into by VIASAT, INC., a Delaware corporation (the "Grantor"), and BANK OF AMERICA, N.A., as Collateral Agent for the Secured Parties (in such capacity, the "Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Security Agreement dated as of the date hereof by and between the Grantor and the Agent (the "Security Agreement"), Grantor has agreed to grant to the Agent a first-priority lien and security interest in its Trademark Collateral (as defined below); and

WHEREAS, in connection with the security interest granted by the Grantor to the Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement, the Grantor executes and delivers to the Agent this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby grants to Agent a continuing first-priority lien and security interest (subject to Liens permitted under Section 6.02 of the Credit Agreement) in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of its trademarks, trademark registrations, trade names, trademark applications, service marks, designs, logos and other source or business identifiers, including the U.S. trademark registrations and U.S. trademark applications with the United States Patent and Trademark Office listed on Schedule I;

(b) all income, royalties, damages and payments now and hereafter due and/or payable with respect to any such mark;

(c) rights to sue for past, present and future infringements thereof;

(d) rights corresponding thereto throughout the world; and

(e) renewals of any of the foregoing,

provided that no security interest shall be granted in, and the term "Trademark Collateral" shall not include, United States intent-to-use trademark applications to the extent that, and solely during the period in

which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable law.

3. SECURITY FOR SECURED OBLIGATIONS. The grant of a lien and security interest in the Trademark Collateral by Grantor pursuant to this Trademark Security Agreement secures the payment and performance of the Secured Obligations.

4. SECURITY AGREEMENT. The lien and security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the lien and security interests granted to Agent pursuant to the Security Agreement. Each of Grantor and the Agent hereby acknowledges and affirms that the rights and remedies of the Agent and obligations of the Grantor with respect to the lien and security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. Grantor hereby authorizes Agent to modify this Trademark Security Agreement by amending Schedule I to include any new trademark rights of Grantor included in the Collateral in accordance with the provisions of the Security Agreement. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. BINDING EFFECT. The provisions of this Trademark Security Agreement shall be binding upon and inure to the benefit of the respective representatives, successors, and permitted assigns of the parties hereto; provided, however, the Grantor shall not assign or delegate any of its rights or duties hereunder without the prior written consent of the Agent, and any attempted assignment without such consent shall be null and void. The rights and benefits of the Agent hereunder shall, if such Persons so agree, inure to any party acquiring any interest in the Obligations or any part thereof in accordance with the terms hereof or of the Security Agreement.

7. CAPTIONS. The captions contained in this Trademark Security Agreement are for convenience of reference only, are without substantive meaning and should not be construed to modify, enlarge, or restrict any provision.

8. TERMINATION AND RELEASE. This Trademark Security Agreement shall terminate automatically upon the termination of the Security Agreement.

9. ENTIRE AGREEMENT. This Trademark Security Agreement, together with the Security Agreement and other Loan Documents, embodies the entire agreement and understanding between the Grantor and the Agent relating to the Trademark Collateral and supersedes all prior agreements and understandings between the Grantor and the Agent relating to the Trademark Collateral.

10. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Trademark Security Agreement by signing any such counterpart, and a telecopy of any such counterpart shall be valid as an original.

11. AMENDMENTS. Other than as permitted pursuant to the Security Agreement, neither this Trademark Security Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Agent, with respect to which such waiver, amendment or modification is to apply, subject to any consent that may be required in accordance with the Security Agreement.

12. GOVERNING LAW; VENUE. SECTIONS 9.09 AND 9.10 OF THE CREDIT AGREEMENT ARE HEREBY INCORPORATED BY REFERENCE MUTATIS MUTANDIS.

[Signature Page Follows]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
