INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Security Agreement, dated as of May 3, 2022 (as amended, restated or otherwise modified from time to time, the “**Security Agreement**”), between Charles Jacquin et Cie., Inc. (“Jacquin”), a Pennsylvania corporation, having a place of business at 2633 Trenton Avenue, Philadelphia, PA 19125 and Chatam International Incorporated, a Delaware corporation having a place of business at 1105 North Market Street, Suite 1300, Wilmington, DE 19801 (“Chatam”) (collectively the “**Borrowers**”), and Bank of America, N.A., a National Banking Association, (together with any successors and assigns thereto in such capacity, the “**Bank**”), having a place of business at Gateway Village-900 Building, NC1-026-06-06, 900 W. Trade St, Charlotte, NC 28255.

WITNESSETH:

WHEREAS, Borrowers are party to a Loan Agreement dated as of May 3, 2022 (the “**Loan Agreement**”) between the Borrowers and the Bank pursuant to which the Borrower is required to execute and deliver this Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Borrowers to enter into the Security Agreement, the Borrowers hereby agree with the Bank, as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Loan Agreement and the Security Agreement and used herein have the meaning given to them in the Loan Agreement.

SECTION 2. Grant of Security Interest in Patent and Trademark Collateral. The Borrowers hereby pledge and grant to Bank, for the benefit of the Borrowers, a security interest in all of Borrower's right, title and interest in, to and under the following to secure the payment of the Obligations, whether presently existing or hereafter created or acquired (collectively, the “**Patent Collateral**”):

(a) all United States and foreign patents and certificates of invention, or similar industrial property rights, and applications for any of the foregoing, including, but not limited to: (i) each U.S. patent and patent application referred to on Schedule I hereto (as such schedule may be amended or supplemented from time to time), (ii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals, and reexaminations thereof, (iii) all rights corresponding thereto throughout the world, (iv) all inventions and improvements described therein, (v) all rights to sue for past, present and future infringements thereof, (vi) all licenses, claims, damages, and proceeds of suit arising therefrom, and (vii) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit. All agreements providing for the granting of any right in or to the Patents (whether such Borrower is licensee or licensor thereunder) including those referred to on Schedule I; and

(b) the trademark registrations, trademark applications, and trademark licenses set forth in Schedule II hereto, together with the goodwill connected with the use of and symbolized thereby and all extensions and renewals thereof, excluding only United States intent-to-use

trademark applications to the extent that and solely during the period in which the grant of a security interest therein would impair, under applicable federal law, the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

SECTION 3. Security Agreement. The security interest granted pursuant to this Security Agreement is granted in conjunction with the security interest granted to the Bank pursuant to the Loan Agreement and Borrowers hereby acknowledge and affirm that the rights and remedies of the Bank with respect to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Security Agreement is deemed to conflict with the Loan Agreement, the provisions of the Loan Agreement shall control.

SECTION 4. Applicable Law. This Security Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the Commonwealth of Pennsylvania.

SECTION 5. Counterparts. This Security Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

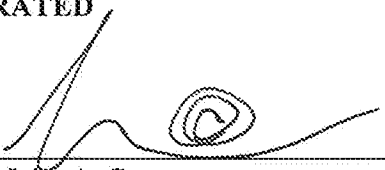

[Remainder of page intentionally left blank]

In Witness Whereof, Grantor has caused this Intellectual Property Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
