WHEREAS, pursuant to the Indenture, the Company will issue senior secured notes upon the terms and subject to the conditions set forth therein; and

WHEREAS, the Company is a member of an affiliated group of companies that includes each Grantor; and

WHEREAS, in connection with the Indenture, the Company, the Grantors and the other parties thereto have executed and delivered a Notes Collateral Agreement, dated as of July 25, 2022 (as amended, supplemented, waived or otherwise modified from time to time, the "Security Agreement"), in favor of the Agent; and

WHEREAS, pursuant to the Security Agreement, each Grantor granted to the Agent, for the benefit of the Secured Parties, a security interest in all of its Intellectual Property, including the Trademarks; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, each Grantor agrees as follows:

the Security Agreement it granted to the Agent, for the benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in and to all Trademarks now owned or at any time hereafter acquired by such Grantor (including, without limitation, those items listed on Schedule I hereto) and to the extent not otherwise included, all Proceeds and products of any and all of the foregoing, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of such Grantor, except that no security interest is or will be granted pursuant hereto in any Excluded Assets.

SECTION 3. Recordation. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest with the United States Patent and Trademark Office.

SECTION 4. Purpose. This Agreement is expressly subject to the terms and conditions of the Security Agreement. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.
