**TRADEMARK COLLATERAL AGREEMENT**

This Trademark Collateral Agreement, dated as of October 21, 2022, is made by DIGITAL LEASH LLC, a Florida limited liability company (“Debtor”) with its principal place of business and mailing address at 10151 Deerwood Park Blvd, Bldg. 100 Ste. 330, Jacksonville, FL 32256, in favor of Fifth Third Bank, National Association (“Fifth Third”), with its mailing address at Fifth Third Center, 38 Fountain Square Plaza, Cincinnati, Ohio 45263, acting as administrative agent hereunder for the Secured Creditors (as defined in the Security Agreement referred to below) (in such capacity together with its successors and assigns, the “Administrative Agent”).

WHEREAS, Debtor, certain affiliates of Debtor and the Administrative Agent are parties to the Amended and Restated Security Agreement dated as of October 21, 2022, as the same may be amended, modified, restated or amended and restated from time to time (the “Security Agreement”), pursuant to which (i) Debtor granted a security interest to the Administrative Agent in the Trademark Collateral (as defined below) to secure the payment and performance of all Obligations of Debtor and (ii) Debtor is required to execute and deliver this Trademark Collateral Agreement.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Debtor hereby agrees with the Administrative Agent as follows:

**Section 1. Defined Terms.**

Unless otherwise defined herein, terms used herein shall have the meaning given to them in the Security Agreement.

**Section 2. Grant of Security Interest.**

Section 2.1 Scope of Grant. Debtor grants to the Administrative Agent for the benefit of the Secured Creditors a continuing security interest in, the following property (collectively, the “Trademark Collateral”):

(i) Each trademark, trademark registration, and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration, and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark, trademark registration, or trademark application listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration, or trademark application, in each case together with the right to sue for and collect said damages;

to secure the payment and performance of all Obligations of Debtor as set out in the Security Agreement.

Section 2.2 Limitations. Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance, other assignment or a grant of a security interest to the Administrative Agent of any applications by Debtor for a trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "Intent-To-Use Applications"). When a Statement of Use is filed and accepted by the United States Patent and Trademark Office (the "USPTO"), then that application shall cease to be partly exempted from this Trademark Collateral Agreement and shall be part of the Trademark Collateral.

### **Section 3. Miscellaneous.**

Debtor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provision of this Trademark Collateral Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

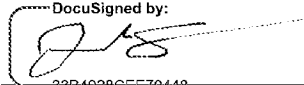

Debtor hereby authorizes and requests that the USPTO record this Trademark Collateral Agreement.

This Trademark Collateral Agreement shall be governed by the laws of the State of New York, without regard to conflicts of law provisions.
