**CONFIRMATORY GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS**

THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (this “Confirmatory Grant”) is made effective as of December 22, 2022, by and from Chart Inc., a Delaware corporation (the “Grantor”), to and in favor of U.S. Bank Trust Company, National Association (the “Grantee”), for itself and as Notes Collateral Agent for the benefit of the Notes Secured Parties (each as defined in the Indenture referenced below).

WHEREAS, Chart Industries, Inc., a Delaware corporation (the “Issuer”), the Guarantors party thereto from time to time, U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and U.S. Bank Trust Company, National Association, as collateral agent (the “Notes Collateral Agent”) have entered into that certain Indenture, dated as of December 22, 2022 (the “Indenture”).

WHEREAS, the Grantor and certain other Subsidiaries of the Issuer have guaranteed and secured the performance and payment of the Guaranteed Obligations pursuant to the Indenture and that certain Collateral Agreement, dated as of December 22, 2022 (the “Collateral Agreement”).

WHEREAS, the Grantor owns the trademarks listed on Exhibit A attached hereto (the “Trademarks”), which Trademarks are registered or pending with the United States Patent and Trademark Office.

WHEREAS, this Confirmatory Grant has been granted in conjunction with the security interest granted under the Collateral Agreement to the Grantee for itself and the benefit of the Notes Secured Parties. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Collateral Agreement and the other Notes Security Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the Indenture or Collateral Agreement, as applicable.

2) The Security Interest.

(a) This Confirmatory Grant is made to secure the satisfactory performance and payment of all the Guaranteed Obligations. Upon the performance and payment in full of all Guaranteed Obligations (other than contingent indemnification obligations), the Grantee shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantor all reasonably requested instruments in writing releasing the security interest in the Trademarks acquired under this Confirmatory Grant.

(b) The Grantor hereby grants to the Grantee a security interest in (1) all of the Grantor’s right, title and interest in and to the Trademarks now owned or from time to time after the date hereof owned or acquired by the Grantor, together with (2) all proceeds and products of the Trademarks, (3) the goodwill associated with such Trademarks, and (4) all causes of action arising prior to or after the date hereof for infringement of the Trademarks or unfair competition regarding the same.

3) Counterparts. This Confirmatory Grant may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an

original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

4) Governing Law. This Confirmatory Grant and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.
