GRANT OF TRADEMARK SECURITY INTEREST

March 1, 2023

WHEREAS, Rosetta Stone LLC, a Virginia limited liability company, Wyzant, Inc., a Delaware corporation, ABCya.com LLC, a Rhode Island limited liability company, Education.com Holdings, Inc., a Delaware corporation, IXL Learning, Inc., a Delaware corporation (the "Borrower"), Thinkmap, Inc., a New York corporation, Teacher Synergy LLC, a Delaware limited liability company, Emmersion Learning, Inc., a Delaware corporation, and Curiosity Media, Inc., a Florida corporation (each, a "Grantor" and collectively, "Grantors"), own and use in their businesses, and will in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below); and

WHEREAS, the Borrower, has entered into a Credit Agreement, dated as of March 1, 2023 (as it may heretofore have been and as it may hereafter be further amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), with the financial institutions party thereto from time to time (collectively, together with their respective successors and assigns party to the Credit Agreement from time to time, the "Lenders"), and JPMorgan Chase Bank, N.A., as administrative agent for the Lenders (in such capacity, the "Administrative Agent") pursuant to which Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to the Borrower; and

WHEREAS, the Borrower and its Restricted Subsidiaries may from time to time enter, or may from time to time have entered, into one or more Secured Cash Management Agreements (as defined in the Credit Agreement) or Secured Hedge Agreements (as defined in the Credit Agreement) in accordance with the terms of the Credit Agreement; and

WHEREAS, each Grantor has executed and delivered that certain Guaranty Agreement, dated as of March 1, 2023 (as it may heretofore have been and as it may hereafter be further amended, restated, supplemented or otherwise modified from time to time, the "Guaranty"), in favor of the Administrative Agent for the benefit of the Lenders and other secured parties, pursuant to which each Grantor has guaranteed the prompt payment and performance when due of: (i) all obligations of the Borrower under the Credit Agreement and the other Loan Documents; (ii) all obligations of the Borrower under the Secured Cash Management Agreements and the Secured Hedge Agreements (other than any Excluded Swap Obligations of such guaranteeing Grantor); (iii) all obligations of each Subsidiary Grantor (other than the obligations of such guaranteeing Grantor) under the Secured Cash Management Agreements and the Secured Hedge Agreements (other than any Excluded Swap Obligations of such guaranteeing Grantor), and (iv) the other obligations described therein; and

WHEREAS, pursuant to the terms of that certain Collateral Agreement, dated as of March 1, 2023 (as it may heretofore have been and as it may hereafter be further amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among each Grantor, the Administrative Agent and the other grantors named therein, each Grantor has created in favor of the Administrative Agent a security interest in, and the Administrative Agent has become a secured creditor with respect to, the Trademark Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Collateral Agreement, to evidence further the security interest granted by each Grantor to the Administrative Agent pursuant to the Collateral Agreement, each Grantor hereby grants to the Administrative Agent a security interest in all of such Grantor's right, title and interest in and to the following, in each case whether now or hereafter existing

or in which such Grantor now has or hereafter acquires an interest and wherever the same may be located (the "Trademark Collateral"):

(i) all rights, title and interest (including rights acquired pursuant to a license or otherwise) in and to all trademarks, service marks, designs, logos, indicia, tradenames, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such Grantor (including, without limitation, the trademarks set forth on Schedule A annexed hereto) (collectively, the "Trademarks"), all registrations that have been or may hereafter be issued or applied for thereon in the United States, any state thereof, or in any foreign country (including, without limitation, the registrations and applications set forth on Schedule A annexed hereto), all common law and other rights (but in no event any of the obligations) in and to the Trademarks in the United States, any state thereof, or in any foreign country, and all goodwill of such Grantor's business symbolized by the Trademarks and associated therewith; and

(ii) all proceeds, products, rents and profits of or from any and all of the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not the Administrative Agent is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral. For purposes of this Grant of Trademark Security Interest, the term "proceeds" includes whatever is receivable or received when Trademark Collateral or proceeds are sold, licensed, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Notwithstanding the foregoing, Trademark Collateral shall not include any Excluded Collateral or any Intent-to-Use Application to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such application under applicable federal law (the "Excluded Trademark Collateral"); provided that at the time any such Intent-to-Use Application matures into an Actual Use Application by the applicable Grantor's receipt of written notification from the IP Filing Office of its acceptance of either an "Amendment to Allege Use" or "Statement Of Use," the Collateral shall include, and such Grantor shall be deemed to have granted a security interest in, such Actual Use Application; provided, however, that "Excluded Trademark Collateral" shall not include any Proceeds, products, substitutions or replacements of any Excluded Trademark Collateral (unless such Proceeds, products, substitutions or replacements would themselves constitute Excluded Trademark Collateral under this paragraph).

Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, each Grantor has caused this Grant of Trademark Security Interest to be duly executed and delivered by its officer thereunto duly authorized as of the date first set forth above.
