April 28, 2023

FOR VALUABLE CONSIDERATION, the receipt and adequacy of which is acknowledged, the undersigned ("Grantors"), grant to **COMERICA BANK**, as the Agent for the benefit of the Lenders party to that certain Second Amended and Restated Revolving Credit and Term Loan Agreement dated as of July 20, 2017 (as amended, supplemented, amended and restated or otherwise modified from time to time the "Credit Agreement") among Grantors, Agent and the Lenders, a security interest and all of Grantors' right, title and interest in and to the following whether existing now or later or on which Grantors now have or later acquire an interest, and wherever the same may be located ("Trademark Collateral"):

1. All rights, title and interest (including rights acquired pursuant to a license or otherwise, but only to the extent permitted by the agreements governing such license or other use and without resulting in the abandonment, invalidation or unenforceability of any right, title or interest of Grantors therein) in and to the following trademarks (collectively, the "Trademarks") described on Exhibit "A".
2. All Proceeds, products, rents and profits of or from any and all the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not Agent is the loss payee), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise in respect of any of the foregoing Trademark Collateral. For these purposes, the term "Proceeds" includes whatever is received or receivable when any Trademark Collateral or other proceeds are sold, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Grantors have granted the security interest under this instrument pursuant to the terms of that certain Amended and Restated Security Agreement dated as of July 20, 2017 (as amended, supplemented, amended and restated or otherwise modified from time to time the "Security Agreement") made by Grantors to Agent for the purposes of security as provided in the Security Agreement. Grantors acknowledge and affirm that the rights, privileges and remedies of Agent with respect to the security interest in the Trademark Collateral granted in this instrument are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated in this instrument by this reference.
