NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Obligors, jointly and severally, agree as follows:

1. Incorporation of Financing Agreements. The Financing Agreements and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Loan Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the "Obligations" (as defined in the Loan Agreement) and the "Indebtedness" (as defined in the Borrower GSA) secured by the Borrower GSA in the case of the Borrower, and the "Indebtedness" (as such term is defined in the Guaranty) and obligations of the Guarantor under the Guaranty and the "Indebtedness" (as defined in the Guarantor GSA) secured by the Guarantor GSA in the case of the Guarantor (collectively, the "Secured Obligations"), each Obligor hereby grants to Lender, and hereby reaffirms its prior grant pursuant to the Financing Agreements of, a continuing security interest in such Obligor's entire right, title and interest in and to all of its now owned or existing and hereafter acquired or arising trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications (other than "intent to use" applications until a verified statement of use is

filed with respect to such applications) in connection therewith, including, without limitation, the trademark registrations and applications listed on Schedule A attached hereto and made a part hereof and the trademarks, and renewals thereof, and all income, royalties, damages and payments now or hereafter due and/or payable under or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing and the right to sue for past, present and future infringements of any of the foregoing (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the "Trademarks"); all rights corresponding to any of the foregoing throughout the world and the goodwill of such Obligor's business connected with the use of and symbolized by the Trademarks.

3. Warranties and Representations. Each Obligor hereby warrants and represents to Lender that:

(i) No Trademark has been adjudged invalid or unenforceable by a court of competent jurisdiction nor has any such Trademark been cancelled, in whole or in part and each such Trademark is presently subsisting;

(ii) Such Obligor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of its Trademark, free and clear of any liens (other than Permitted Liens), charges and encumbrances, including without limitation, shop rights and covenants by such Obligor not to sue third persons;

(iii) Except as otherwise disclosed to Lender, such Obligor has not received any notice of any suits or actions commenced or threatened with reference to any Trademark; and

(iv) Such Obligor has the unqualified right to execute and deliver this Security Agreement and perform its terms.

4. Restrictions on Future Agreements. Except and to the extent expressly permitted otherwise herein or in the other Financing Agreements, each Obligor agrees that until the Secured Obligations shall have been satisfied in full and the Financing Agreements shall have been terminated, no Obligor shall, without the prior written consent of Lender, sell or assign its interest in any Trademark or enter into any other agreement with respect to any Trademark which would affect the validity or enforcement of the rights transferred to Lender under this Security Agreement.

5. New Trademarks. Each Obligor represents and warrants that, based on a diligent investigation by the Obligors, the Trademarks listed on Schedule A constitute all of the federally registered Trademarks, and federal applications for registration of Trademarks (other than "intent to use" applications until a verified statement of use is filed with respect to such applications) now owned by any Obligor. If, before the Secured Obligations shall have been indefeasibly paid in full or before the Financing Agreements have been terminated, any Obligor shall (i) become aware of any existing Trademarks of which such Obligor has not previously informed Lender, (ii) become entitled to the benefit of any Trademarks, which benefit is not in existence on the date hereof, or (iii) take any action to register (or re-register) or revive, renew, resuscitate or otherwise claim rights in or protect any abandoned, lapsed or dead trademark, the provisions of this Security Agreement above shall automatically apply thereto and the Obligors shall give to Lender prompt written notice thereof. Each Obligor hereby authorizes Lender to modify this Security Agreement by amending Schedule A to include any such Trademarks. In addition, if any of the foregoing events under this Section 5 occurs with respect to any Subsidiary of any Obligor, the Obligors shall give to Lender prompt written notice thereof.

6. Term. The term of this Security Agreement shall extend until the payment in full of the Secured Obligations and the termination of the Financing Agreements. Each Obligor agrees that upon the occurrence and during the continuance of an Event of Default (as defined in the Loan

Agreement), the use by Lender of all Trademarks shall be without any liability for royalties or other related charges from Lender to any Obligor.

7. Product Quality. Except and to the extent expressly permitted otherwise under the Financing Agreements, each Obligor agrees to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable business practices.

8. Release of Security Interest. This Security Agreement is made for collateral purposes only. Upon payment in full of the Secured Obligations and termination of the Financing Agreements, Lender shall take such actions as may be necessary or proper to terminate the security interests created hereby and pursuant to the Financing Agreements.

9. Expenses. All expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by Obligors, jointly and severally. All fees, costs and expenses, of whatever kind or nature, including reasonable outside counsel legal fees and expenses, incurred by Lender in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Trademarks or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks shall be borne by and paid by Obligors, jointly and severally, and until paid shall constitute Secured Obligations.

10. Duties of Obligors. Except as expressly permitted otherwise under the Financing Agreements, each Obligor shall have the duty (i) to file and prosecute diligently, as commercially reasonable, any trademark applications pending as of the date hereof or hereafter until the Secured Obligations shall have been paid in full and the Financing Agreements have been terminated, (ii) to preserve and maintain all rights in the Trademarks, as commercially reasonable and (iii) to ensure that the Trademarks are and remain enforceable, as commercially reasonable. Any expenses incurred in connection with the Obligations under this Section 10 shall be borne by Obligors, jointly and severally.

11. Lender's Right to Sue. After the occurrence and during the continuance of an Event of Default, Lender shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Lender shall commence any such suit, each Obligor shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents required by Lender in aid of such enforcement and Obligors shall, jointly and severally, promptly, upon demand, reimburse and indemnify Lender for all costs and expenses, including reasonable attorney's fees, incurred by Lender in the exercise of its rights under this Section 11.

12. Waivers. No course of dealing between any Obligor and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Financing Agreements shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

13. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

14. Modification. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

15. Cumulative Remedies; Power of Attorney; Effect on Financing Agreements. All of Lender's rights and remedies with respect to the Trademarks, whether established hereby or by the Financing Agreements, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Obligor hereby authorizes Lender upon the occurrence and during the continuance of an Event of Default, to make, constitute and appoint any officer or agent of Lender as Lender may select, in its sole discretion, as such Obligor's true and lawful attorney-in-fact, with power to (i) endorse such Obligor's name on all applications, documents, papers and instruments necessary or desirable for Lender in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as Lender deems to be in the best interest of Lender, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Each Obligor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Secured Obligations shall have been paid in full and the Financing Agreements have been terminated. Each Obligor acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Financing Agreements but rather is intended to facilitate the exercise of such rights and remedies. Lender shall have, in addition to all other rights and remedies given it by the terms of this Security Agreement and the Financing Agreements, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in Illinois.

16. Binding Effect; Benefits. This Security Agreement shall be binding upon each Obligor and its successors and assigns, and shall inure to the benefit of Lender, its successors, nominees and assigns.

17. Governing Law. This Security Agreement shall be governed by and construed in accordance with the laws of the State of Illinois and applicable federal law.

18. Headings. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede.

19. Further Assurances. Each Obligor agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Lender shall reasonably request from time to time in order to carry out the purpose of this Security Agreement and agreements set forth herein.

20. Survival of Representations. All representations and warranties of each Obligor contained in this Security Agreement shall survive the execution and delivery of this Security Agreement and shall be remade on the date of each borrowing under the Financing Agreements.

21. Interpretive Provisions. The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms. Whenever the context so requires, the neuter gender includes the masculine and feminine, the single number includes the plural, and vice versa.

22. Electronic Records. This Security Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Security Agreement (each a "Communication"), including Communications required to be in writing, may, if agreed by the Lender, be in the form of an Electronic Record and may be executed using Electronic Signatures, including, without limitation, facsimile and/or .pdf. Each Obligor agrees that any Electronic Signature (including, without limitation, facsimile or .pdf) on or associated with any Communication shall be valid and binding on the Obligors to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of each Obligor enforceable against such Obligor in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered to the Lender.

Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Lender of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Lender may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of the Lender's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Lender is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Lender pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Lender has agreed to accept such Electronic Signature, the Lender shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Obligor without further verification and (b) upon the request of the Lender any Electronic Signature shall be promptly followed by a manually executed, original counterpart. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.
