TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this "Trademark Assignment") is entered into as of June 28, 2023 (the "Effective Date"), by and between InvestmentNews LLC, a Delaware limited liability company ("Assignor"), and KM Business Information US, Inc., a Colorado corporation ("Assignee").

WHEREAS, under the terms of that certain Asset Purchase Agreement, dated as of even date herewith by and between Assignor, Assignee and Bonhill Group plc, a United Kingdom public limited company and ultimate parent of Assignor (the "Purchase Agreement"), Assignor has sold, conveyed, assigned and transferred to Assignee, among other assets, all of Assignor's right, title and interest in and to the Assigned Trademark Rights (as defined herein), and has agreed to execute and deliver this Trademark Assignment, for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and without limiting or modifying the Purchase Agreement, Assignor hereby absolutely, irrevocably, and unconditionally sells, conveys, assigns, and transfers to Assignee (on behalf of itself and its successors and permitted assigns), and Assignee hereby accepts, all of any of Assignor's worldwide right, title, and interest in and to the Intellectual Property Rights, free and clear of all Liens of any kind whatsoever, including without limitation, in and to the following (collectively, the "Assigned Trademark Rights"):

(a) The trademarks, service marks, trade dress, logos, trade names, corporate names and fictitious names, and any registrations and applications for any of the foregoing, set forth in **Schedule I** hereto (the "Trademarks"), and including all goodwill associated with, or symbolized by, the Trademarks;

(b) all rights of any kind whatsoever of Assignor accruing under any of the Trademarks provided by applicable Law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the Trademarks; and

(d) any and all claims and causes of action with respect to any of the Trademarks, whether accruing before, on, or after the date hereof, including all rights to prosecute, sue, enforce, collect, recover, or retain damages, costs, or attorneys' fees with respect to the past, present and future infringement, misappropriation, dilution, unauthorized use or disclosure, or other violation of any Trademarks and all claims for profits, proceeds, damages, restitution, and injunctive and all other legal and equitable relief related thereto, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages,

all said rights to be held and enjoyed by Assignee for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the full term of the Assigned Trademark Rights as fully and entirely as the same would have been held by Assignor had this assignment not been made.

2. Recordation and Further Actions. Assignor hereby authorizes and requests the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of

corresponding Governmental Authorities in any applicable jurisdictions to record and register this Trademark Assignment upon request by Assignee, to record Assignee as the assignee and owner of the Trademarks, and to issue any and all registrations from any and all applications for registration included in the Trademarks in and to the name of Assignee. Following the date hereof, upon Assignee's reasonable request, and at Assignee's sole cost and expense, Assignor shall take such commercially reasonable steps and actions, and provide such commercially reasonable cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademark Rights to Assignee, or any Assignee or successor thereto.

3. Terms of the Purchase Agreement. The parties hereto acknowledge and agree that this Trademark Assignment is entered into pursuant to the Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Assigned Trademark Rights. The representations, warranties, covenants and agreements contained in the Purchase Agreement shall not be superseded, modified or expanded hereby but shall remain in full force and effect to the full extent provided therein. Nothing in this Trademark Assignment, express or implied, is intended to, or will be construed to modify, expand or limit in any way the terms of the Purchase Agreement or the grant, conveyance, transfer or assignment to Assignee of Assignor's rights, title, and interest in and to the Assigned Trademark Rights pursuant to the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

4. Execution in Counterparts. This Trademark Assignment may be executed and delivered (including, where permitted by applicable Law or Governmental Authority, via facsimile or scanned .pdf image) in multiple counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document. A signed copy of this Trademark Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment, provided, however, that if an original signature and/or any other formalities are required by any Governmental Authority, then the parties hereto shall, at Assignee's sole cost and expense, amend, execute, and revise this Trademark Assignment in accordance therewith and in satisfaction thereof.
