RELEASE OF SECURITY INTEREST IN TRADEMARKS

This Release of Security Interest in Trademarks (this “**Release**”) is effective as of July 20, 2023, by U.S. Bank National Association, in its capacity as Administrative Agent (together with its successors and assigns, in such capacity, the “**Agent**”). All capitalized terms used but not otherwise defined herein shall have the respective meanings assigned thereto in the Security Agreement.

WITNESSETH:

WHEREAS, the entities listed on Schedule I hereto under the caption “Grantor” (each a “**Grantor**,” collectively, the “**Grantors**”) have entered into a Security Agreement, dated July 22, 2019 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “**Security Agreement**”), in favor of Agent;

WHEREAS, pursuant to the Security Agreement, each Grantor entered into one or more agreements for Assignment for Security - Trademark, each of which are listed on Schedule I hereto, (each, a “**Trademark Security Assignment**”), pursuant to which each Grantor granted to Agent a security interest in all of the Grantor’s right, title and interest in, whether now owned or hereafter existing or acquired, wherever the same may be located, in all United States trademarks, trade names, business names, d/b/a’s, corporate names, Internet domain names, service marks, certification marks, collective marks, logos and other source or business identifiers, and all general intangibles of a like nature, whether statutory or common law and whether or not registered, and with respect to any and all of the foregoing, including all trademarks, trademark registrations and pending trademark registration applications of the Grantor set forth on Schedule II hereto and all of the goodwill of the business connected with the use of and symbolized by and associated therewith (collectively, the “**Collateral**”); and

WHEREAS, the Grantors have requested that the Agent release, and the Agent is willing to release, its lien on and security interest in, and any other right, title, and interest it may have in, to and under the Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Agent hereby agrees as follows:

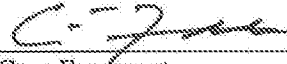

1. The Agent hereby terminates the Trademark Security Assignments and terminates, releases, discharges and reassigns to the Grantors the entirety of any and all security interests that it may have in, and all claims, whether presently existing or hereafter acquired or created, pursuant to the Trademark Security Assignments to the Agent, together with the goodwill of the business symbolized thereby, and any right, title or interest in and to the Agent in such Collateral, if any, shall hereby terminate, cease and become void; provided, however, that any provisions contained in the Trademark Security Assignments that, by their respective terms, survive the termination of the Trademark Security Assignments shall not be terminated hereby.

2. The Agent hereby authorizes and requests the competent authorities, including the Commissioner for Trademarks in the United States Patent and Trademark Office and all corresponding officials throughout the world, to record and register this Release upon request by any Grantor.

3. The Agent shall take all reasonable further actions, and provide to the Grantors and their respective successors, assigns or other legal representatives, all such reasonable cooperation and assistance (including without limitation, the execution and delivery of any and all reasonable documents or other instruments), reasonably requested by the Grantors, and at Grantor's cost and expense, to more fully and effectively effectuate the purpose of this Release.
