TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this “Assignment”) is made as of the 21st day of August, 2023 by LDC Stone, Inc., a Delaware corporation (“Assignor”) to Marva II, LLC, a Delaware limited liability company (“Assignee”).

WHEREAS, Assignor is the sole owner of the trademarks identified and set forth on Schedule A (the “Transferred Trademarks”);

WHEREAS, Assignor has agreed to sell, assign, transfer, convey, grant, and deliver to Assignee all of Assignor’s right, title, and interest in, to, and under the Transferred Trademarks; and

WHEREAS, Assignee has agreed to purchase from Assignor all of its right, title, and interest in, to, and under the Transferred Trademarks.

NOW, THEREFORE, for good and valuable consideration (including the premises and covenants set forth in this document), the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

Assignor hereby sells, assigns, transfers, conveys, grants, and delivers to Assignee all of Assignor’s respective right, title, and interest in, to, and under the Transferred Trademarks, together with the goodwill associated therewith, including all registrations, applications, and common law rights therefor in the United States, including any renewals and extensions of the registrations that are or may be secured under the laws of the United States, now or hereafter in effect, for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties, or payments due or payable as of the time of this assignment or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Transferred Trademarks, with the right to sue for and collect the same for Assignee’s own use and enjoyment and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor authorizes and requests the Director of Patents and Trademarks of the United States and other empowered officials of the United States Patent and Trademarks Office to transfer all registrations and applications for the Transferred Trademarks to Assignee as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment, and to issue to Assignee all registrations which may issue with respect to any applications for a trademark or service mark included in the Transferred Trademarks.

Assignor covenants and agrees that it will, upon the reasonable request of Assignee, execute and deliver, or cause to be executed or delivered, any and all documents provided by Assignee that may be necessary or desirable to perfect the assignment, conveyance, and transfer of the Transferred Trademarks hereunder.

This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflicts of law principles of the State of Delaware.

This Assignment may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other party.

IN WITNESS WHEREOF, Assignor and the Assignee have caused this Assignment to be duly executed as of the date first above written.
