PATENT AND TRADEMARK SECURITY AGREEMENT

PATENT AND TRADEMARK SECURITY AGREEMENT dated as of September 8, 2023 (this “Agreement”), between PATIENTPOINT NETWORK SOLUTIONS, LLC, an Ohio limited liability company, ACCENTHEALTH LLC, a Delaware limited liability company, CONTEXTMEDIA HEALTH, LLC, a Delaware limited liability company, and RENDIA, INC, a Maryland corporation (collectively, the “Grantors” and each a “Grantor”) and JPMORGAN CHASE BANK, N.A., as Administrative Agent (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”).

Reference is made (a) to the Credit Agreement dated as of September 8, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among PATIENTPOINT HEALTH TECHNOLOGIES LLC, a Delaware limited liability company (the “Borrower”), PATIENTPOINT HEALTH TECHNOLOGIES HOLDINGS III LLC, a Delaware limited liability company (“Holdings”), the Lenders from time to time party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent, and (b) the Guarantee and Collateral Agreement dated as of September 8, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among the Borrower, Holdings, the Subsidiary Loan Parties from time to time party thereto, and the Administrative Agent. The Lenders and the Issuing Banks have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders and the Issuing Banks to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantors party hereto are Affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders and the Issuing Banks to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Sections 1.03, 1.05 and 1.06 of the Credit Agreement also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment and performance in full of the Secured Obligations, each Grantor pursuant to the Collateral Agreement did, and hereby does, grant to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the “Patent and Trademark Collateral”):

(a) (i) all letters patent of the United States of America, all registrations and recordings thereof and all applications for letters patent of the United States of America, including, any of the foregoing set forth under such Grantor’s name on Schedule I hereto, and (ii) all reissues, continuations, divisionals, continuations-in-part, reexaminations, supplemental examinations, *inter partes* reviews, renewals, substitutions, adjustments or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, have made, use, offer to use, sell, offer to sell, dispose, offer to dispose of, import or export the inventions disclosed or claimed therein;

(b) (i) all United States trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, domain names, global top level domain names, other source or business identifiers, designs and general intangibles

of like nature, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar office in any State of the United States of America, all extensions or renewals thereof, and all common law rights related thereto, including, any of the foregoing set forth under such Grantor's name on Schedule II hereto, (ii) all goodwill associated therewith or symbolized thereby and (iii) all other assets, rights and interests that uniquely reflect or embody such goodwill;

(c) all rights to sue and recover damages for past, present and future infringement, misappropriation, dilution or other violation of any of the foregoing; and

(d) all Proceeds and products of any and all of the foregoing

SECTION 3. Collateral Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance of, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Patent and Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement that is an Electronic Signature transmitted by fax or by email as a ".pdf" or ".tif" attachment that reproduces an image of an actual executed signature page shall be effective as delivery of a manually signed counterpart of this Agreement. The words "execution", "signed", "signature", "delivery" and words of like import in or relating to this Agreement shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by fax or by email as a ".pdf" or ".tif" attachment that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be.

SECTION 5. Incorporation by Reference. The provisions of Sections 7.02, 7.04, 7.05, 7.06, 7.09 and 7.10 of the Collateral Agreement are hereby incorporated by reference herein as if set forth in full force herein, mutatis mutandis.
