WHEREAS, Assignor is the owner of the trademarks and the applications and registrations therefor set forth in Schedule A (the "Trademarks"); and

WHEREAS, Assignee desires to acquire all right, title, and interest, free from all liens, restrictions, and limitations, in and to the Trademarks, and Assignor desires to assign the Trademarks to Assignee, upon the terms and conditions set forth hereinafter.

NOW THEREFORE, in consideration of the sum of £5 now paid by Assignee to Assignor, the premises recited above, the Parties' mutual undertakings, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

Assignor hereby irrevocably assigns, transfers, and conveys to Assignee, and its successors and assigns, all right, title, and interest in, to, and under the Trademarks, together with any and all applications and registrations therefor, including but not limited to those trademarks identified in Schedule A attached hereto and incorporated herein by reference, together with all goodwill symbolized by and associated with the Trademarks and of the business in connection with which the Trademarks were or are used, free and clear of all liens, claims, charges, and encumbrances of any kind whatsoever, to have and to hold forever, along with any and all claims and causes of action (and the right to initiate suit and obtain damages and other forms of relief, both legal and equitable), arising from and/or relating to the infringement, misappropriation, or other violation of any right in any of the Trademarks, whether prior to or subsequent to the Effective Date, to the fullest extent permitted by law.

Assignor represents and warrants that it owns the entire right, title, and interest in and to the Trademarks, and that all registrations for the Trademarks are valid and subsisting, and in full force and effect. Assignor further represents and warrants that it has not licensed any rights in any of the Trademarks, either expressly or impliedly, to any other person or entity, that there are no liens or security interests against the Trademarks, and that Assignor's execution of this Assignment and performance of Assignor's obligations hereunder shall not violate or conflict with any other agreement or understanding to which Assignor is a party.

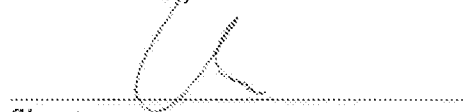

Assignor shall promptly, upon the request of Assignee and/or its successors and assigns, execute such other documents and/or instruments of assignment, transfer, and conveyance as Assignee and/or its successors and assigns may reasonably request to permit the recordation of the assignment made by this instrument or of any other documents Assignee or any of its successors or assigns may reasonably deem necessary or advisable to effectuate the terms and intent of this Assignment.
