WHEREAS, under the terms of the Security Agreement, Grantor has granted a security interest in certain Intellectual Property Collateral, including, without limitation, the Intellectual Property Collateral (as defined below), to the Security Agent, for itself and on behalf and for the ratable benefit of the other Secured Parties, and has agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office and/or the United States Copyright Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Grant of Security. As security for the payment and performance of the Secured Obligations, Grantor hereby grants to the Security Agent, for itself and on behalf and for the ratable benefit of the other Secured Parties, a security interest in all of Grantor’s right, title and interest in, to and under the following property (the “Intellectual Property Collateral”):

(a) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names, all licenses relating to any of the foregoing (including such U.S. registrations and applications as are described in Schedule A), whether registered or unregistered and wherever registered and all reissues, extensions and renewals thereof, and all the goodwill of the business connected with the use of, and symbolized by, each of the above;

(b) (i) all patents and patent applications, domestic or foreign, all licenses relating to any of the foregoing (including such U.S. patents and patent applications as are described in Schedule A) and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof;

(c) all copyrights and applications for copyright, domestic or foreign, together with the underlying works of authorship (including titles), whether or not the underlying works of authorship have been published whether said copyrights are statutory or arise under the common law, and all other rights and works of authorship (including the U.S. copyright registrations and copyright applications described in Schedule A), all licenses relating to any of the foregoing and all rights of renewal and extension of copyright;

in each case, solely to the extent the same constitutes Intellectual Property Collateral under the Security Agreement.

2. Recordation. Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and/or the Commissioner for Trademarks and any other applicable government officer, as applicable, record this Intellectual Property Security Agreement.

3. Execution in Counterparts. 4. Governing Law. This Intellectual Property Security Agreement and all claims or causes of action (whether in contract, tort or otherwise) that may be based upon, arise out of or relate in any way hereto or the negotiation, execution or performance thereof or the transactions contemplated hereby, unless otherwise expressly set forth therein, shall be governed by, and construed in accordance with, the law of the State of New York except as required by mandatory provisions of law and to the extent the validity or perfection of the Security hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than New York.

5. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Security Agreement, the Facilities Agreement and the Intercreditor Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement, the Facilities Agreement and the Intercreditor, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Security Agreement, the Facilities Agreement or the Intercreditor Agreement, the provisions of the Security Agreement, the Facilities Agreement or the Intercreditor Agreement, as applicable, shall govern.

6. Definitions. Any capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Security Agreement or the Facilities Agreement, as applicable.
