GRANT OF A SECURITY INTEREST – TRADEMARKS

This GRANT OF A SECURITY INTEREST – TRADEMARKS (this “**Trademark Security Agreement**”) is made as of October 6, 2023, by HAMPTON PRODUCTS INTERNATIONAL CORPORATION, a Delaware corporation (“**Grantor**”), in favor of BMO BANK N.A., in its capacity as administrative agent for itself and the other Secured Parties (together with its successors and assigns in such capacity, “**Grantee**”).

WHEREAS, the Grantor has adopted, used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the “**Trademarks**”);

WHEREAS, the Grantor has entered into a Pledge and Security Agreement, dated October 6, 2023 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “**Security Agreement**”), in favor of Grantee; and

WHEREAS, pursuant to the Security Agreement, the Grantor has granted to the Grantee for the benefit of the Secured Parties, a continuing security interest in all right, title and interest of the Grantor in, to and under the Trademarks, together with, among other things, the goodwill of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “**Collateral**”), to secure the payment, performance and observance of the Secured Obligations.

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Secured Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor does hereby grant to the Grantee for the benefit of the Secured Parties, a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Secured Obligations.

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

The Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this agreement without the signature of the Grantor and naming the Grantor, as debtor, and the Grantee as secured party.

This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first set forth above.
