GRANT OF SECURITY INTEREST  
IN TRADEMARKS

January 25, 2024

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, KIRKLAND'S, INC., a Tennessee corporation (the "Grantor"), hereby grant to 1903P LOAN AGENT, LLC, in its capacity as the collateral agent for the credit parties under the Security Agreement referred to below (in such capacity, the "Grantee"), a continuing security interest in the following:

- (i) all of the Grantor's right, title and interest in, to and under each of the United States and foreign trademarks and trademark applications (the "Marks") including without limitation, those set forth on Schedule A attached hereto;
- (ii) each trademark license, including, without limitation, each trademark license set forth on Schedule A attached hereto, together with all goodwill associated therewith ("Trademark Licenses");
- (iii) all proceeds and products of the Marks and Trademark Licenses, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement, misappropriation, dilution, violation or other impairment of any Mark or Trademark License;
- (iv) the goodwill of the businesses with which the Marks are associated; and
- (v) all causes of action arising prior to or after the date hereof for infringement of any of the Marks or Trademark Licenses or unfair competition regarding the same, (items (i) through (iv) being herein collectively referred to as the "Trademark Collateral").

THIS security interest is made to secure the satisfactory performance and payment of all the Secured Obligations of the Grantor, as such term is defined in the Security Agreement by, among others, the Grantor and the Grantee, dated as of January 25, 2024 (as amended, restated, supplemented or otherwise modified and in effect from time to time, the "Security Agreement").

The Grantor hereby acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant of Security Interest in Trademarks are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The Grantor authorizes and requests that the United States Patent record this Agreement.

This Agreement shall be construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Agreement and all disputes arising hereunder shall be governed by, the laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule that would cause the application of the laws of any

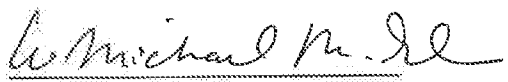

jurisdictions other than the laws of the State of New York. The parties hereto: (a) agree that any legal action or proceeding with respect to this Agreement or any other agreement, document, or other instrument executed in connection herewith or therewith, shall be brought to the nonexclusive jurisdiction of the courts of the state of New York sitting in the borough of Manhattan and of the United States District Court of the Southern District of New York and any appellate court from any thereof; (b) irrevocably waive any objections which either may now or hereafter have to the venue of any suit, action or proceeding arising out of or relating to this Agreement, or any other agreement, document, or other instrument executed in connection herewith, brought in the aforementioned courts; and (c) further irrevocably waive any claim that any such suit, action, or proceeding brought in any such court has been brought in an inconvenient forum.
