PARTIAL RELEASE OF TRADEMARK SECURITY AGREEMENT AND OTHER
INTELLECTUAL PROPERTY

February 9, 2024

WHEREAS, pursuant to that certain Notice of Security Interest - Trademarks, dated as of December 4, 2020 recorded in the United States Patent and Trademark Office at Reel 7157, Frame 0898 on December 15, 2020 (the "Trademark Security Agreement"), LSC Communications MCL LLC, a Delaware limited liability company ("Releasee") created in favor of Wells Fargo Bank, National Association, as Administrative Agent (in such capacity, together with its successors and permitted assigns, "Releasor"), a security interest (as defined in the Pledge and Security Agreement) in all of the Trademarks (as set forth in Schedule A to the Trademark Security Agreement); and

WHEREAS, pursuant to the certain Pledge and Security Agreement, dated as of December 4, 2020 ("Pledge and Security Agreement"), Releasee created in favor of Releasor a security interest in certain unregistered trademarks, domain names, and software; and

WHEREAS, Releasee has requested and Releasor has agreed to provide this Partial Release of Trademark Security Agreement and Other Intellectual Property to confirm the release, relinquishment and discharge of its security interest solely in the Trademarks (the "Released Trademarks") and any security interest in the unregistered trademarks, domain names, and software ("Other Released IP") owned by Releasee and listed on Schedule 1 hereto.

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, Releasor hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Pledge and Security Agreement.

2. Release of Security Interest. Releasor hereby terminates, releases, relinquishes and discharges its security interest solely in the Released Trademarks and Other Released IP and reassigns to the Releasee all right, title and interest of Releasor in the Released Trademarks and Other Released IP (including but not limited to applications and registrations thereof, goodwill of the business symbolized thereby, all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present, and future violations thereof), without recourse or representation or warranty, express or implied, of any kind. Nothing contained herein shall constitute or be construed as a termination, release, retransfer or reassignment by Releasor of its security interest, or any other right, title and interest, the Releasor may have in any Collateral (as defined in the Pledge and Security Agreement) (other than the Released Trademarks and Other Released IP as set forth herein), which shall continue in full force and effect.

3. Authorization. Releasor hereby authorizes Releasee or Releasee's agent to record this Partial Release of Trademark Security Agreement and Other Intellectual Property with the United States Patent and Trademark Office. The Releasor agrees that any power of attorney or similar rights granted by Releasee to Releasor pursuant to or in connection with the Trademark Security Agreement or Pledge and Security Agreement is terminated.

IN WITNESS WHEREOF, the parties have caused this Partial Release of Trademark Security Agreement to be duly executed as of the date first written above.
