TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”) is entered into as of March 25, 2024, by and among Park Place Technologies, LLC, an Ohio limited liability company, National Customer Engineering, Inc., a California corporation, Curvature LLC, a California limited liability company, Entuity, Inc., a New York corporation, Reliant Technology, LLC, a Georgia limited liability company and Park Place Technologies Federal Services, LLC, a Delaware limited liability company (each, a “Grantor”) and Alter Domus (US) LLC, in its capacity as collateral agent for the Secured Parties (in such capacity, together with its successors in such capacity, the “Collateral Agent”).

WITNESSETH:

WHEREAS, each Grantor is party to a Pledge and Security Agreement, dated as of March 25, 2024 (as it may be from time to time amended, restated, amended and restated, replaced, supplemented or otherwise modified, the “Security Agreement”), in favor of the Collateral Agent pursuant to which each Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, each Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them (including by reference) in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges, collectively assigns and grants to the Collateral Agent, on behalf of and for the benefit of the Secured Parties, a security interest in all of its right, title and interest in, to and under all of the Trademarks, whether now owned by or owing to, or hereafter acquired by or arising in favor of, each Grantor, including those listed on Schedule I attached hereto, together with all goodwill associated with such Trademarks (collectively, the “Trademark Collateral”).

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement, and should not be deemed to grant a broader security interest in the Trademark Collateral than what is granted by each Grantor to the Collateral Agent in the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement (and are expressly subject to the terms and conditions thereof). In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the termination of the Security Agreement and in accordance with its terms, the Collateral Agent shall execute, acknowledge, and deliver to each Grantor, at each Grantor’s sole cost expense, and at each Grantor’s request, an instrument in writing in recordable form releasing the collateral pledge, grant, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 6. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the Grantors have caused this Trademark Security Agreement to be executed and delivered by each of the Grantor's duly authorized officer as of the date first set forth above.
